

I am in Parrots Class

These are some of the things in my classroom.

This is the playground that we play in.

This is Mrs Scovell. She is my
class teacher

I am Mrs Scovell and I have two dogs called Betsie and Chilli-Bean. I like going for walks and paddle boarding at the weekend with the dogs. I also look after the school ducks and take them home every night.

These are other adults that will help me in class.
