

I am in Penguins Class

These are some of the things in my classroom

This is the playground that we play in.

This is Mrs Boreham. She is my class teacher

I am Mrs Boreham and I have worked in schools for about 15 years. I have 2 teenage children and 2 dogs called Max and Meava. I love being in the outdoors and blue is my lucky colour. My passion is reading and I read every day—mainly fiction books.

These are other adults that will help me in class.
