

I am in Robins Class

These are some of the things in my classroom.

This is the playground that we play in.

This is Mrs Barnes. She is my
class teacher

I am Mrs Barnes. I have two daughters called Violet and Flo. I live in Carterton but I have also lived in Hong Kong, New Zealand and Qatar. I love Art and History - they are my favourite subjects! I enjoy walking and painting in my spare time.

These are other adults that will help me in class.
