

I am in Kingfishers Class

These are some of the things in my classroom.

This is the playground that we play in.

This is Mrs Ayling and Mrs Gridley.
They are my class teachers.

I am Mrs Gridley and I live with my husband, three children and two noisy guinea pigs. At the weekend I really enjoy baking, going for long walks and spending time with my friends and family.

These are other adults that will help me in class.
