

I am in Owls Class

These are some of the things in my classroom.

This is the playground that we play in.

This is Mrs Morgan. She is my class teacher.

I am Mrs Morgan, I enjoy reading and cooking. My favourite meal to cook is a roast dinner. I also enjoy listening to music, particularly Take That and Taylor Swift. I like spending time with my family and friends and I love to go on holiday.

These are other adults that will help me in class.
