Interim Headteacher: **Mrs Kayleigh Anstee**

Chair of Governors: **Mr Kevin Moyes**

29th April 2021

Dear Parents and Carers,

As per my previous communication, the Headteacher recruitment process completed yesterday. I am delighted to confirm that following a robust recruitment process, the Governing Board have appointed **Kayleigh Anstee as your permanent Headteacher**. This appointment will give our school the stability and leadership needed to achieve our vision for the school and ensure we are providing the very best for all pupils in our care. Kayleigh's love, passion and energy for the school really shone through during the process and governors are looking forward to supporting her to achieve great things in her new role.

We still have three parent governor vacancies. It is critical that we fill these vacancies; parents play a key role in school governance because of the experience and perspective they bring and help to ensure the governance of the school is effective and sustainable. I appreciate that many of us are extremely busy but would ask you to please consider this opportunity for the benefit of the children. Being a governor is a great way to develop and learn new skills and this has certainly helped me in my career progression. You can find further information [here](#). You will be fully supported in learning the role and we will ensure the time commitment works for you. If you would like to discuss this opportunity, then please do contact me and we can arrange a time to discuss.

If you have any questions about governance, or any questions or comments, then please do email me directly: **kmoyes@gateway.oxon.sch.uk**

Best wishes,

Kevin Moyes
Chair of Governors
