

Hello

Where have I come from?

Year 3 and 4

Term 1 2024—2025

Whole school focus—Hello

During the Hello topic we will all be settling into our new classes, this includes: learning the routines, getting to know our teachers, clarifying presentation expectations and discussing our school values .

Time To Talk

The main focus in these sessions is getting know our new class and what it means to be a Year 3 and 4. We will be sharing our “Me Bags” in class, getting to know our teachers and discussing expectations on what a good classroom, teacher and student looks like.

English

In English we will be studying some books by Anthony Browne including “Voices in the Park” and “The Tunnel” which will result in us writing our own predictions about what happens next and writing our own stories.

We will also be writing a recount of the summer holidays. Either real or imaginary.

Mathematics

In maths, we will be looking at numbers and the importance of knowing what the different digits are worth. We will be using base ten, place value counters and different representations to investigate patterns . We will be looking at odd and even numbers and different patterns we can find.

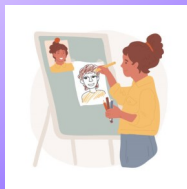

We will also be continuing with our times tables booklets which the children will have started last year.

Science

In science, we will be developing our investigative skills and looking for patterns in our results. We will be thinking about how to carry out an investigation and developing our strategies to record our findings.

Art and Design

In Art, we will be drawing our own self portraits using pencil and pencil crayons. We will be looking at the proportions of the face and trying to create realistic representations.

Computing

In computing, we will be learning about the chrome books. We will be creating new passwords to use, using Google classroom and creating our own computing portfolio to save our work in.

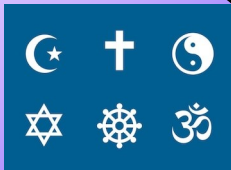

Music

During the ‘Hello’ topic we will be using our creative and collaborative skills to create a class rap all about our class values and our class bird.

RE

In RE we will be thinking about the six different religions and discussing the main features of each religion.

PE

In games we will be starting with some Outdoor Adventurous activities to build teamwork. We will learn about offering ideas, working as a team and listening to each other.

French

'In French, we will be focusing on the pronunciation of common French phonic sounds that will support us with speaking, listening and reading of new vocabulary in future topics. We will be teaching this through a range of games and songs.

Geography

We will be thinking about where we are in the world and recapping our knowledge of the continents and the oceans. We will also be thinking about how we are all global citizens and what this means.
