

Hello

How do I make a good first impression?

Year 5 and 6 - Autumn Term 2025

Geography

In Geography, we will be using map skills and 4 figure grid references to locate where we have all come from and will be learning about the history and famous landmarks that our hometowns have. We will be using our learning to create traditional postcards to celebrate the locations we have all come from.

English

In English we will study the picture book, *Rules of Summer* by Shaun Tan to help inspire us to generate our own school rules in order for us to make good first impressions. Throughout this writing journey, we will be practicing our grammar and punctuation basics that we will be applying across the curriculum.

We will also be writing a descriptive paragraph based on a setting using figurative language.

Mathematics

- In mathematics, we will be learning about calculation, number, addition and subtraction and the relationships between additive and multiplicative problems.

Science

In science, we will be recognising that living things have changed over time and that fossils provide information about living things that inhabited the Earth millions of years ago. We will be exploring how animals and plants have adapted to suit their environment in different ways and that adaptation may lead to evolution.

Art and Design Technology

In art, we will be using Pablo Picasso as our inspiration to create our own self portraits using a cubism style.

Computing

In computing, we will be learning to understand the importance of using technology safely, respectfully and responsibly.

Music

We will be using our Singing Assembly to learn to sing and to use our voices, to create and compose music on our own and with others.

RE

In RE, we will be learning about Islam, Christianity, Hinduism and Sikhism through the learning question:

How did the religions and other world view begin?

PE

Indoor—Peacocks will be participating in their weekly swimming lessons and Eagles and Toucans will learn, develop and apply all gym skills on the floor, with hand apparatus and high apparatus through focused skill development, sequence creation and games.

Outdoor—Tag Rugby

French

In French, we will be learning a selection of the key phonemes to facilitate accurate and authentic pronunciation as part of our language learning experience.

RSE —Time to Talk

In our Time to Talk sessions we will be exploring the following questions:

- What makes a good learning environment?
- How can I support my own learning?
- Basic First Aid
