

PERSONAL, SOCIAL AND EMOTIONAL DEVELOPMENT

We will be thinking about what it s like to be in Yr1.

We will be spending some time with our new teacher.

We will be talking about how change can make us feel and about some of the things that we can do to control our feelings

We will be celebrating all of our success in the EYFS

TEAMWORK

PHYSICAL DEVELOPMENT

We will be demonstrating good personal hygiene including hand washing and toileting. We will be able to talk about the effects of exercise on our bodies.

We will know that some foods are healthy and that others are treats.

We will recognise the effects that exercise has on our bodies .

We be using tools (such as cutlery and knives, scissors paintbrushes and pens/pencils and dough and clay tools, chalk and pastels).

In PE we will continue our outdoor games sessions.

We will also go outside for some outside fun, climbing and playing with the parachute.

COMMUNICATION AND LANGUAGE

We will be listening and speaking to each other in 1:1 , in small groups and to the class.

We will be listening to and retelling stories using puppets and props. We will be talking about characters..

We will be asking and answering how and why questions .

We will be listening in assembly .

PHONICS

In our daily phonics sessions we will continue using all of our phonics skills from Phases 1-4 .

We will be reading and writing words and captions using all of the sounds we have covered so far from Phase 2 and Phase 3.

We will be working with CVC, CVCC and CCVC words, tricky words and high frequency words .

NUMBER

We will be counting reliably to 20 and placing numbers in order. We will be able to say which number is one more or one less than a given number Using numbers and objects we will be able to add and subtract single digit numbers and wil also be able to count on and back to find the answer.

We will be solving problems using doubling, halving and sharing

EXPRESSIVE ARTS AND DESIGN

We will be creating our own art work and will be enjoying singing and adapting our favourite songs.

We will be drawing from observation , focusing on detail.

UNDERSTANDING THE WORLD

We will be observing the changes in the weather and will be adapting our activities to suit the conditions.

We will be exploring the woods at Forest School .

We will be taking part in our whole school Science event.

SHAPE SPACE AND MEASURE

We will be using everyday language to talk about size weight, position.

We will be comparing quantities and solving problems.

We will be talking about patterns and will be using mathematical language to describe shapes

Goodbye

EYFS

EXCITING TIMES

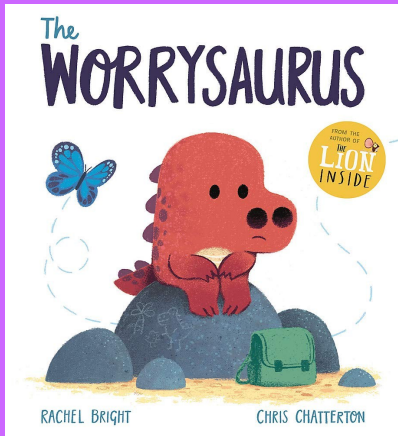

Meet our new teachers, Leavers Assembly. Helping with new Reception Children, Whole School Visit

READING and WRITING

We will listening and sharing lots of stories and will be writing letters to our new teachers to introduce ourselves.

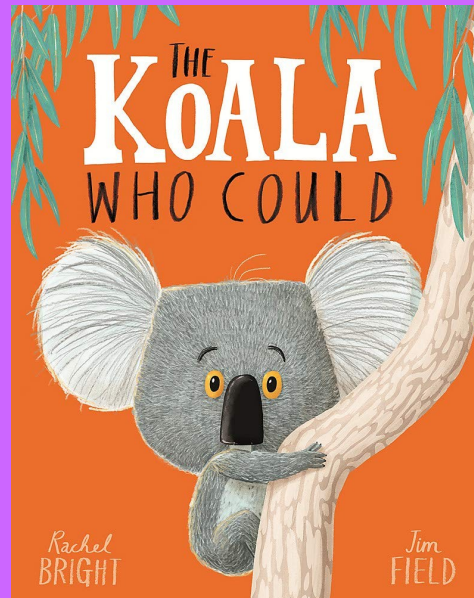

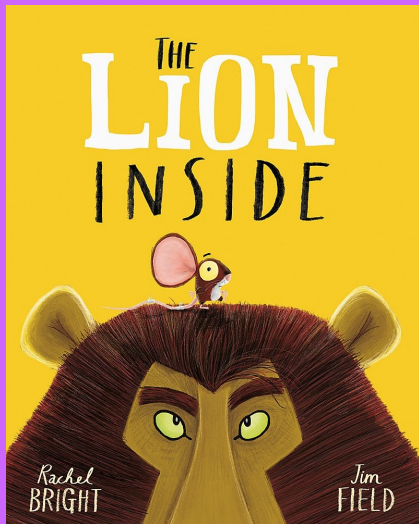

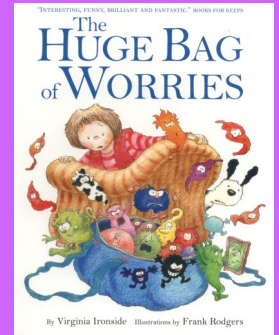

We will be segmenting and blending cvc, CCVC and CVCC words using our sounds from Phase 2 and Phase 3. We will be reading sentences and talking about what we have read.

We will be using phonics packs, flashcards and reading scheme books at home to practise our skills. We will be reading high frequency words .

Goodbye

EYFS

These are some of the books that we might share in class.
