

We are International

Key Stage One

Terms 5 and 6 2024

International link—The Paris Olympics.

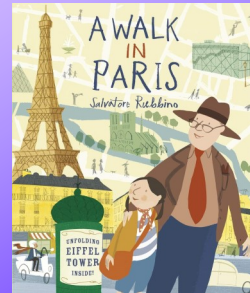

Main Learning focus - Geography

In Geography, children will be learning about the differences between a country, a city and a town. The children will compare similarities and differences between Carterton and Paris using maps, they will then use this information they have learnt to create a map of their own imaginary place which has a key and symbols.

English

We will be reading 'A walk in Paris' in English. Our writing outcome from this will be to write an adventure story. During this unit we will be learning more about the city of Paris and making predictions and inferences. We will also be practising grammatical skills such as possessive apostrophes and proper nouns and applying these to our stories.

Science

In science we are 'Building an Olympian' we are learning about the physical attributes of a sports person. We will be learning about stamina and speed of Olympians and the special kit they need to wear. Throughout the lessons, we will be investigating our own stamina and measuring and improving our speed. We will also be investigating the seasonal changes of summer.

Mathematics

Year One pupils will be exploring place value to 100 before going on to learning about money and time.

Year Two pupils will be continuing with fractions before learning about time, statistics and position and direction,

Art and Design

We are exploring the work of Stuart Davis who printed landscape scenes. We will be using his inspiration to create our prints and using them for repeating patterns and a class picture.

Computing

Once we have finished exploring the 'digital music' unit, we will go on the 'programming quizzes' unit, where learners will go on to use scratch to create their own quiz questions.

Music

We are going to be learning and practising French songs, thinking about an awareness of our audience.

RE

In RE we are thinking about the question 'Does completing Hajj make people a better Muslim?' We will be focussing on believing, belonging and special journeys during this time. We will also be learning about what a mosque looks like and why it is important.

PE

For indoor PE we will be exploring dance by looking at and recreating traditional French dances.

For outdoor PE we will be practising for Sports Day.

Phonics

Miss Mayall's, group are continuing to explore spelling and grammar rules.

Mrs Morgan's and Mr Barradell's group will be consolidating phase 5 sounds.

Time to talk

For time to talk we will be thinking about lots of ways to stay safe, including in the sun, online by the roads and near water.
