

## Hello

### What has changed in my lifetime?

Key Stage One

Term 1 2023-24

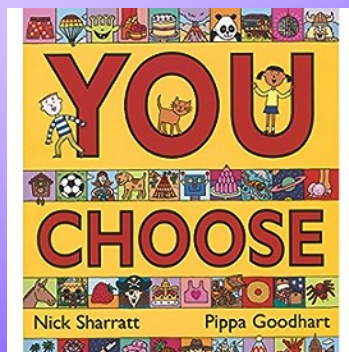

## Science

We will be observing and identifying the physical changes that have taken place since the children were babies.

## English

In English, we will be exploring the book 'You Choose' and writing profiles about ourselves to create a class book to keep in the book corner and share with new pupils.

## Mathematics

In maths we will be exploring place value.

Year One pupils will be learning to find one more or one less than numbers and using the terms 'fewer, greater and equal' to compare numbers and objects.

Year Two pupils are learning how to partition numbers in different ways using the part, part whole model and exploring the value of tens and ones in 2 digit numbers.

## History

We will be discussing significant changes in living memory and creating a timeline of changes which have taken place in our life times.

## Music

We are going to explore our singing voices by learning simple rhymes and identifying classroom instruments,

## Phonics

We will be exploring basic sounds and being assessed for phonics ready to stream into phonics groups.

## Art and Design

In Art we will be looking closely at our faces to draw a self portrait. We will use crayons and pastels to colour our self portraits.

## PSHE

We will be getting to know each other, establishing class expectations and sharing things we are proud of.

## PE

For indoor PE we will be starting Real Gym Year 1 unit 1 Personal

For outdoor PE we will be starting Real PE Year 1 -Unit 1 Personal
